

# APPENDIX A – MEMO FROM MAYOR OF SAN ANTONIO

**TO:** Members of City Council

**FROM:** Ron Nirenberg, Mayor

**COPIES TO:** Erik Walsh, City Manager; Leticia Vacek, City Clerk; Andy Segovia, City Attorney; Ben Gorzell, Chief Financial Officer; Kevin Barthold, City Auditor

**SUBJECT:** CPS Energy Rate Advisory Committee

**DATE:** January 24, 2020

As most of our community’s fee, rate and tax structures allow for a public input process, and in order to enhance transparency and accountability to their own rate structuring process, I have asked CPS Energy to establish a rate advisory committee to review the design of the utility’s current and future rate structures and fees. This committee would focus on overall impacts to CPS Energy’s customers.

The committee would be responsible for reviewing CPS Energy’s recent resource planning process, as well as engaging, informing and answering questions put forth by the community at-large. This committee would consist of a technical working group and a stakeholder engagement group. The stakeholder engagement group would include a representative from each Council district and the Mayor’s office.

Please do not hesitate to contact me if you have any questions or recommendations about this process. I look forward to working with each of you to realize our mutual goals to benefit the City of San Antonio and its residents.

Ron Nirenberg  
Mayor
