Disclaimer of Endorsement

Reference herein to any specific installer, commercial product, process, or service by trade name, trademark, manufacturer, or otherwise, does not constitute or imply its endorsement, recommendation, or favoring by CPS Energy, and such reference shall not be used for advertising or endorsement purposes.

General incentive applies to qualifying commercial and residential projects.

All rebates are capped at 50% of project cost.

The rebate for non-local installers is reduced to 75% of the local installer rebate amounts.

CPS Energy guidelines and rebate levels are subject to change without notice, and CPS Energy reserves the right to refuse any application/request for incentive payment that does not meet CPS Energy requirements.
