

Supply Chain Helpful Numbers

The following employees are available to assist with any questions regarding the process to become a registered supplier with CPS Energy or to request information regarding your established vendor account.

For inquiries regarding:

- Assistance with a New supplier registration and/or Additional Items request (Products, Services, and/or Non-Stock)
- Status on a previously submitted registration
- Material approval process

Please Contact:

Gabriela Solis
Analyst Supply Chain
Phone: (210) 353-4526
gasolis@cpsenergy.com

For inquiries regarding:

- Obtain the status on an existing supplier account
- Verification of approved listings on an existing supplier account
- The Business Questionnaire and W9-Tax ID Forms
- Supplier account maintenance; to include name changes

Please Contact:

Alyssa Ramos
Supplier Diversity Coordinator
Phone: (210) 353-5052
aramos2@cpsenergy.com

For inquiries regarding:

- Approved manufacturers
- Changes to current approved stock material
