Hi All,

I'm working to set a meeting with Dr. Femi Osidele, one of our environmental stakeholder participants and Co-Chair of the CAAP Steering Committee. He is interested in visiting with us on Flexible Path, the Synapse Report, and modeling assumptions. I can offer more context by speaking with each of you, if I have not already.

Calendars are packed so I'm tossing this date and time out for consideration. It is an internal preference to hold this meeting as soon as we can schedule it.

Once I confirm with you, I will contact Dr. Osidele.

Thank you for this consideration,

Kathy
